

The first-ever BMW 2 Series Gran Coupé launched in India

Gurugram, BMW India has launched the first-ever BMW 2 Series Gran Coupé in the country. Locally produced at BMW Group Plant Chennai, the car is available in a diesel variant at all BMW India dealerships from today onwards. The petrol variant will be launched later.

Mr. Vikram Pawah, President, BMW Group India said, "The first-ever BMW 2 Series Gran Coupé brings BMW's successful four-door coupé concept into the segment for the first time. The car injects a fresh dose of individuality, aesthetic appeal and emotional engagement to everyday usability. Driving enthusiasts will experience a new interpretation of sheer driving pleasure in this power-packed model resonating the true BMW DNA.

As the latest BMW, the first-ever BMW 2 Series Gran Coupé will attract newer target groups who aspire for a stylish and luxurious entry into the world of BMW and

value performance and quality above all. This car is an irresistible choice for individuals who live life to the fullest."

The first-ever BMW 2 Series Gran Coupé perfectly blends the comfort of a sedan and the sportiness of a coupé. The stylish design stands out with an elongated silhouette and frameless doors. The spacious and sophisticated interior suits all kinds of travel. The powerful engine en-

sure best-in-segment performance and acceleration. The first-ever BMW 2 Series Gran Coupé adapts perfectly to a dynamic lifestyle and also to personal taste. This is visible through a choice of attractive design variants - the Sport Line and M Sport. Each variant has distinguished exterior and interior design elements creating an individual personality.

Sport Line celebrates the gust of adrenaline with

sporty style and self-confidence. M Sport bestows a masculine character with distinguished 'M' design elements evoking the racing spirit. The first-ever BMW 2 Series Gran Coupé offers many features like Panorama Glass Sunroof, Parking Assist with Reverse Assist, Illuminated Interior Trim, BMW Live Cockpit Professional, Gesture Control, Wireless Charging and BMW Virtual Assistant among others.

Zoom launches new online events platform 'OnZoom'

San Francisco, Video meeting app Zoom has launched an online event platform and marketplace called OnZoom for paid users of the platform to create, host, and monetise events like fitness classes, concerts, stand-up or music lessons on the Zoom Meetings platform.

With this platform, hosts can grow their businesses, expand their reach into new audiences, and give back through native donation integration, Zoom said on Wednesday, while making the announcement during its Zoomtopia 2020 event.

Zoom users can discover these events and sign up for new experiences with additional functionality like gifting tickets and an attendee dashboard to keep tabs on favourite events and brands.

"One thing we've learned in this challenging time is that remote work does work. The future will bring a hybrid of the best of in-person and virtual communications," said Zoom Video Communications CEO Eric Yuan.

"The announcements we make today at Zoomtopia demonstrate that Zoom is built for this moment and beyond. We have the platform to support what the world needs - today, tomorrow, and well into the future."

The OnZoom platform specifically helps businesses and entrepreneurs schedule and host one-time events, an event series, and drop-ins for up to 1,000 attendees (depending on your Zoom Meeting license), list and sell tickets, share and promote public events via email and social media and reach new audiences beyond a business geographical location. Zoom made the service available starting Wednesday as a public beta for US users.

Business Brief

Stability in fuel prices benefit common man and the poor

Ahmedabad, Substantial downward revision and stability in the prices of essential petroleum products - petrol, diesel, LPG cooking gas and kerosene - in the recent months, has brought much-needed relief for the common man as well as the poorer sections of society.

For instance, the Retail Selling Price (RSP) of diesel sold through Indian Oil Corporation's (Indian Oil) fuel stations has come down by Rs 2.93 per litre, and petrol by 97 paise per litre at Delhi, during September 2020, with corresponding price reduction in other markets across the country. In the current month, diesel prices have been reduced by a further 17 paise per litre in Delhi so far, while there has been no change in the price of petrol. This has come as a great relief to motorists and transporters alike.

Similarly, there has been virtually no change in the RSP of LPG for domestic use at Delhi and other markets across India since 1st July 2020. With an average monthly sale of about 13 crore domestic LPG cylinder refills on industry basis, as many households have benefited from stability in the price of LPG cooking gas.

Even in the case of subsidised kerosene being supplied through the public distribution system (PDS), the cumulative reduction in RSP has been substantial; for instance, the downward revision at Mumbai was Rs. 12.73 per litre since 16th Feb 2020. In the latest instance, PDS Kerosene price in Mumbai came down by Rs2.19 per litre at the beginning of this month - from Rs25.84 per litre in Sept. 2020 to Rs23.65 per litre in Oct 2020. The poorest sections of society are benefited by the substantial reduction in the price of kerosene distributed through the PDS.

IT, telecom stocks drag Sensex 560 points down

Mumbai, Indian stock market plunged on Thursday due to heavy selling pressure on IT and telecom stocks.

The BSE Sensex was trading over 500 points lower during the afternoon trade.

Along with weak cues from the global markets on the back of the fading hopes of further stimulus in the US, profit booking also pulled the IT stocks lower. Around 1.39 p.m., Sensex was at 40,233.54, lower by 561.20 points or 1.38 per cent from the previous close of 40,794.74.

It opened at the day's high of 41,048.05 and a low of 40,297.34 points. The Nifty50 on the National Stock Exchange was at 11,818.90, lower by 152.15 points or 1.27 per cent from its previous close.

Over 2,000 fashion stores join Flipkart to boost festive sales

Bengaluru, Flipkart on Thursday said it has partnered with more than 100 brands this festive season to help bring their wide range of products across 2,000 fashion stores onto the e-commerce marketplace.

Spread across more than 300 cities, this partnership will enable brands to showcase their available retail selection to near-by pin codes, helping customers get visibility to a wider selection and then delivered to them through Flipkart's supply chain.

Flipkart said this partnership holds importance for hundreds of brands to get access to an omnichannel route that enables them to stay connected with their customers.

"The future of shopping is an integrated model where the lines will be blurred, ultimately creating a win-win situation for consumers, brands and sellers," Nishit Garg, Vice President - Flipkart Fashion, said in a statement. "With this approach, we are bridging the gap that currently exists for firstly, aspiring customers in tier 3 cities and beyond, who are seeking the best of current fashion trends, but have limited access; and secondly, for customers in metros who are seeking fresh fashion in a minimum timeframe."

Flipkart said this initiative widens the choice of products for its over 250 million consumers and will meet the evolving needs of those who prefer shopping online from the safety of their homes, in metros, tier-2 regions and beyond.

The e-commerce platform said that it will have the largest fashion selection available for consumers during its Big Billion Days and festive season this year which begins on October 16 with an early access for Plus members on October 15.

OPPO A15 with AI triple camera launched in India

New Delhi, Chinese smartphone maker OPPO on Thursday launched its new budget smartphone 'OPPO 15' with an AI triple camera system at the rear for Rs 10,990 in India.

OPPO A15 will be available in two colour variants - dynamic black and mystery blue.

"Riding high on the success of the recently introduced A53, OPPO aims to further strengthen its highly acclaimed A series with the launch of A15 that offers promising features in this segment," the company said in a statement. The smartphone features a 6.52-inch water-drop screen with a large 89 per cent screen-to-body ratio.

The device also features an HD+ screen that sports a resolution of 1600 x 720. Further, the device comes with features that ensure the comfort of your eyes including Eye Comfort Filters, which can filter out harmful blue light and alleviate eye strain.

The device houses a 13MP Main Camera. It also boasts a 2MP Macro Lens for close-up shots as close as 4cm. To add more depth to portrait photos, it features a 2MP depth camera that adds a natural bokeh effect to the background. There is also a 5MP front camera. The device packs a MediaTek Helio P35 octa-core processor coupled with 3GB RAM and internal storage of 32GB that can be further extended to 256GB.

The device comes equipped with the latest ColorOS 7.2 that offers a suite of convenient features such as the Dark Mode that features an upgraded colour contrast for a more intuitive interface. The phone is powered by a 4230mAh battery.

12 Covid patients discharged in Chinese mainland

Beijing, The National Health Commission said on Thursday that 12 Covid-19 patients were discharged from hospitals after recovery in the Chinese mainland on Wednesday.

There were 240 patients still being treated, including four in severe condition, the commission said in its daily report, Xinhua news agency reported.

Altogether, 80,748 patients had been discharged from hospitals after recovery by Wednesday, the commission added.

As of Wednesday, a total of 85,622 confirmed Covid-19 cases had been reported on the mainland, among whom 4,634 died of the disease.

Dabur Sanitize Germ Protection Soap launches campaign to raise awareness about hand washing

New Delhi The world's largest Ayurvedic products maker Dabur India Limited announced a mega social initiative in 5 cities on the occasion of Global Handwashing Day celebrated every year on 15th October. Dabur has launched a campaign to mark Global Handwashing Day under which it will be distributing 'Dabur Sanitize Germ Protection Soaps' across selected cities among the frontline workers including Police, CRPF, Doctors, Nurses & Support staff.

The initiative aims to create awareness about the importance of washing hands regularly particularly when we are facing a threat like COVID-19 along with thanking the frontline workers for their dedicated service for the nation even during tough time.

Mr. Ajay Singh Parihar,

Senior General Manager-Marketing Dabur India Ltd, said "The frontline workers like Police & CRPF personnel, and Health workers have been working tirelessly to keep us all protected from this pandemic. At Dabur, we have pledged our support to fight this pandemic. As part of this commitment, we are supporting the frontline bravehearts with our Dabur Sanitize Germ Protection Soap, which provide hygiene to the Corona Warriors during these challenging times. More than 2.85 Lakh Dabur Sanitize Germ Protection soaps will be distributed to CRPF Centres & Quarters, Police Stations & Police Quarters, Select Government Hospitals and Municipality Offices in Delhi & NCR, Mumbai, Ahmedabad, Vijayawada, and Bangalore."

"Dabur is committed to its motto of being dedicated to the social cause and we are excited to implement this noble cause on ground. This unique initiative seeks to raise awareness among people about the importance of washing hands, particularly when we are going through a pandemic. All norms of social distancing and sanitization will be followed. Our executives will take care of all the precautions including sanitization and wearing mask during the service" Mr. Rajat Mather, Head- Consumer Marketing, Dabur India Ltd, said.

Uber hires Amazon veteran to lead mobility teams in Bengaluru

Bengaluru, Uber on Thursday announced it hired Amazon veteran Manikandan Thangarathnam as senior director to lead all rider and platform engineering teams in Bengaluru.

Uber said it is also hiring 85 more engineers in the country. This is in addition to hiring 140 engineers the ride-hailing service announced last month.

"As the world steps into a new normal, adaptability is going to be a key aspect to usher in growth. I look forward to leading the bright minds at Uber and innovating together for the world, one ride at a time," said Mani.

At Amazon, Mani helped build several core platforms and products.

He led engineering efforts for the Amazon Appstore and was instrumental in bootstrapping the tech major's Chennai office and building a vast team of engineers.

The Rider mobility team works on the challenge of enabling the next billion

trips by building new services including high capacity vehicles (Uber bus), and car rentals, among others.

The company said the Marketplace team is building a highly-available and scalable self-serve gateway to configure, manage, and monitor Application Programming Interfaces (API) of every business domain at Uber.

Uber recently hired another Amazon veteran Jayaram Valliyur as senior director to lead its global finance technology team, spread across multiple geographies.

US dollar slips as traders monitor stimulus

New York, The US dollar weakened in late trading on Wednesday as market participants continued to look for clues on new stimulus.

The dollar index, which measures the greenback against six major peers, was down 0.16 per cent at 93.3865, Xinhua news agency reported.

In late New York trading, the euro was up to \$1.1750 from \$1.1744 in the previous session, and the British pound was up to \$1.3023 from \$1.2933 in the previous session. The Australian dollar increased to \$0.7166 from \$0.7153. The US dollar bought 105.10 Japanese yen, lower than 105.49 Japanese yen of the previous session. The US dollar decreased to 0.9131 Swiss franc from 0.9145 Swiss franc, and it was up to 1.3145 Canadian dollars from 1.3140 Canadian dollars. Recent market moves have oscillated with the probability of substantial additional fiscal stimulus. An impasse among US lawmakers in Washington somewhat dimmed hopes that more Covid-19 relief aid would come to fruition before the election.
